Dear Parent/Guardian,

As per School Calendar, Wednesday 18th March is due to be a normal teaching day.

However, we have made the decision to change this to an Exceptional Closure Staff Training Day. Pupils should stay at home while staff continue preparing learning packs and resources in the event of the school closing due to COVID 19.

Some schools have decided to close tomorrow in preparation, but we feel this is *very short notice* and Wednesday 18<sup>th</sup> March is a more appropriate day to close.

There will be no After School Clubs all this week and these will be reviewed on a weekly basis. School buses and Early Morning Club will not run on Wednesday only.

The health and well-being of pupils, staff and families is paramount at this very challenging time. We will continue to keep you updated of changes via our text messaging service, Facebook page and school website. Please ensure your contact details are up to date with school.

Thank you for your continued support in all school matters.

D. Hutchinson  
Principal
